

Kominiarki motocyklowe, kominiarki pod kask Producent kominiarek - Marko II

F.H. Marko2

Balacłava Micropolar

Price: 28.90 PLN (including 23 % tax)

Material – Microfleece (160 g/m²)

Sizes - S, M, L

Color - Black/Navy

Description:

Balacławas thanks to used material assure perfect microclimate underneath the helmet. Breathable material helps skin to breath which means that sweat is carry out to outer side of material and skin stays dry. Micropolar is extremely warm and in connection with great comfort of using ("breath") it is a perfect choice for motorcyclists, skiers, construction workers, very often used underneath cap as well as on their own (especially in very cold conditions).

Price for foreign clients:

5.00 EUR
